presents

**Legislative Day** and *Woman of the Year* 2025

**May 1, 2025**

A very special day- attend one event or both!

**Legislative Day** allows you to hear directly from Senators and House Representatives with fresh details on 'the happenings' fresh from the floor of the Capitol! Complete with our traditional Red Jacket Photo and this year a tour of the Capitol too! Our keynotes for the day will be Senator Chairman Jim Runestad, NFRW President Julie Harris and Karla Wagner of Ax Mi Tax.

Event runs 9-4:30

**National Day of Prayer** will be hosted on the Capitol lawn, our lunch break will be timed with their main event and planned as simple to carry if you choose to participate.

*Woman of the Year* dinner celebration bestows well-earned recognition on one very special lady from each participating Club across Michigan! Some Clubs invite the spouse of their honoree or their Elected Official to attend as well, so we always have special guests join us for dinner and the presentation. Champagne toast, a keepsake booklet, roses and friends who love her make a memorable evening. Our evening keynote is nonother than NFRW President Julie Harris!

Event runs 5-7:30
